

## Fairborn Little League

As we look forward to the 2013 Little League Baseball season and hoping for another fantastic year, we are taking strides to enhance the safety and learning atmosphere for all kids who partake in America's favorite pastime. We are still working to complete diamond #3 for our Junior and Senior leagues ages 13/16 and eventually up to the age of 18. We are also adding girls fastpitch softball for girls ages 9 - 12.

Approximately 50% of our revenue is collected through registrations, fundraising and concessions. We need to have the support of our sponsors and community donations to provide us with the remaining portion of our yearly budget, and this year we are looking for extra support and donations to assist us with our construction needs. To help us reach our goals we need to move fences, bleachers, dug outs, install lights, add additional fencing and a scoreboard to make our dream come true. We need large equipment, manpower and about \$15,000 for expenses.

Fairborn Little League has been a huge part of the community for over 50 years. Our hope is that we would survive another 50 years. We would like you to continue your sponsorship/contributions to help keep this program running and growing. We are a 501(C)(3) non-profit corporation, and your contributions are tax deductible.

- ALL SPONSORSHIP/CONTRIBUTIONS ARE PLACED ON THE WEBSITE...  
www.fairbornlittleleague.com and a list of sponsors will be given out at registration encouraging families to patronize our sponsors. Registrations begin on January 19 and go through February 25 so get your contribution in early.

*Opening Day is Saturday April 27, 2013*

We hope to see everyone at Cemex Park (Ernie Apt Field) to watch our children play ball!
